

Serving You in Harrisburg

As the 2025-2026 Legislative Session continues, I am providing you with an update on my work in the Pennsylvania House of Representatives. As I promised on my first day serving as your State Representative, I will never forget where I come from or who I am fighting for. Taking your voice to our State Capitol is the honor of a lifetime. I will always do what I believe is best for the 84th District, our great Commonwealth, and our Country.

I have been appointed to the following five Committees for the 2025-2026 Legislative Session: Agriculture and Rural Affairs, Energy, Judiciary, Transportation, and Veterans Affairs

and Emergency Preparedness.

I have introduced 16 bills so far this Legislative Session, including legislation that would continue to make it easier for our Basic Life Support (BLS) Ambulances to respond to emergencies, providing additional legal protection for our law enforcement and first responders while they perform their duties, ensuring life insurance plans for members of the Pennsylvania Army and Air National Guard cover all types of activations, and reducing the regulatory burden when applying for a permit to clean and maintain our creeks and streams. I believe these bills align very well with the conservative values shared by the great people of Lycoming and Sullivan Counties.

I look forward to championing our rural voice in Harrisburg.

STATE REP. JOE HAMM: STANDING UP FOR OUR CONSERVATIVE VALUES

★ SUPPORTING ECONOMIC GROWTH

A healthy economy provides opportunities for small businesses to grow and provide more jobs. I am committed to spurring economic growth by sponsoring the Taxpayer Protection Act which will hold the line on state spending, cutting the bureaucratic red tape which bogs down businesses, fighting for permit predictability and getting government out of the way of the free market.

★ PROTECTING OUR SECOND AMENDMENT RIGHTS

Standing up for our Gun Rights is more vital now than ever. I co-sponsor Constitutional Carry, Preemption, the Second Amendment Preservation Act and all other pro-gun legislation. I will do everything within my power to prevent gun grabbing politicians in Harrisburg from taking away our cherished Gun Rights.

★ FIGHTING FOR ELECTION INTEGRITY

I will continue to advocate for establishing Voter ID, implementing signature verification, increasing penalties for anyone convicted of committing voter fraud, and increasing maintenance of our voter rolls. States like Florida conduct very secure elections with election results available the same day, and Pennsylvania should be no different.

★ UNLEASHING PENNSYLVANIA ENERGY

Pennsylvania has vast amounts of different kinds of energy. I support less regulations, providing more permit predictability, and utilizing all sources of our diverse energy to maximize our assets. Pennsylvania could be a worldwide energy leader if we promote what we have rather than cater to the environmental fringe that never wants to develop our resources.

DO YOU HAVE UNCLAIMED PROPERTY?

The Pennsylvania Treasury Department administers the state's Unclaimed Property Program, which may include abandoned or forgotten bank accounts, stocks, uncashed checks, unused gift cards, life insurance policies, proceeds from safe deposit boxes and much more.

It's easy—and free—to track and claim unclaimed property by visiting www.patreasury.gov and searching the database, or by calling Treasury at **1-800-222-2046**. Again, there is no fee associated with this service. If you would like our assistance accessing this information, please feel free to contact one of my District Offices.

SUPPORTING PA VETERANS

To serve constituents in the 84th District, William McGovern, a Veterans Service Officer from the American Legion, holds monthly service hours at my Montoursville district office every second Wednesday. He can help veterans and their families navigate the VA benefits system and review other services offered to veterans.

You may contact my office at 570-546-2084 to schedule an appointment. You will need to provide your name, contact information, and brief description of the issue. Veterans do not have to be members of the American Legion to receive assistance.

SIGN UP FOR MY WEEKLY UPDATES

Every week, I publish a short email that includes information and updates from the state Capitol and at home in the 84th District. Details about legislation, important updates, and local events are typical topics you can read about.
